## 1. INTRODUCTION

Uttar Pradesh is the 4<sup>th</sup> largest state in terms of geographical area covering 9.0 per cent of the country's geographical area. It is also the most populous state in India consisting of 19.96 crore (199.6 million) inhabitants as per 2011 Census, out of which 15.51 crore live in rural areas and 4.45 crore in urban areas. There has been a net addition of about 1.09 crore persons in the urban areas during 2001-2011. Thus, about 16.50% of the total population and 11.80% of the urban population of India reside in Uttar Pradesh. Out of 4041 statutory towns of India 762 (i.e., 16%) exist in Uttar Pradesh. The percentage of urban population to total population of the State stands at 22.28 as per 2011 Census whereas this percentage was 20.78 in 2001. Thus, an increase of 1.50 percentage points has been recorded in the urban population during 2001-2011 (Raj and Singh, 2017).

However, the level of urbanization (22.28%) in the State is quite low as compared to all India figures of 31.16%. The decadal growth of urban population during 2001- 2011 has been 28.82 per cent as against 31.80 per cent during 1991-2001. Administratively, Uttar Pradesh is divided into 75 districts under 18 divisions which are Agra, Aligarh, Azamgarh, Allahabad, Kanpur, Gorakhpur, Chitrakoot Dham, Jhansi, Devi Patan, Faizabad, Bareilly, Basti, Vindhyachal (Mirzapur), Moradabad, Meerut, Lucknow, Varanasi, and Saharanpur. There are 8 cities with million plus population. At present there are 762 Urban Local Bodies (ULBs) in the state with about total area 6264.57 sq km (Raj and Singh, 2017).

The spread of Urban Local Bodies (ULB) according to their status is as follows:

S. No.	Urban Local Bodies	Numbers
1	Municipal Corporations	17
2	Nagar Palika Parishads (Municipalities)	200
3	Nagar Panchayats (Municipal Boards)	545
	<b>Total</b>	<b>762</b>

The spread of Urban Local Bodies (ULB) according to population (as per 2011 Census) size is as follows:

Sr. No.	Urban Local Bodies with Population	Numbers
1	More than 10, 00,000 (1million)	08
2	Between 5,00,000 to 10,00,000	08
3	Between 3,00,000 to 5,00,000	04
4	Between 1,00,000 to 3,00,000	53
5	Between 50000 to 1,00,000	57
6	Between 20000 to 50000	336
7	Less than 20,000	296
	<b>Total</b>	<b>762</b>

The launch of SBM-U, coupled with the promulgation of SWM Rules 2016, C&D waste rules, Plastic Waste Management rules etc., all combined to set the stage for India to

accelerate its progress on effective Solid Waste Management. Moreover, the achievements under SBM-Urban 1.0 need to be sustained in the long run with creation of adequate infrastructure, and their implementation needs to be accelerated manifold.

Hence, SBM-U 2.0 is needed to achieve the vision of a “Garbage Free” Urban India. The vision of SBM 2.0 for scientific Solid Waste Management (SWM) is that cities will ensure segregation of waste at source, process waste segregated fractions, recover resources and recycle to the maximum extent.

## **2. PROJECT BACKGROUND AND OBJECTIVES**

With an aim to make India clean, the Swachh Bharat Mission (Urban) was launched by the Government of India on 2<sup>nd</sup> October 2014. One of the key goals of the mission is to achieve 100% scientific processing of solid waste. As per the goals and objectives of the Swachh Bharat Mission, State Mission Directorate, SBM (Urban) is in the process of setting up Material Recovery Facility in different ULBs of Uttar Pradesh to recover the non-compostable solid waste material from the daily waste which is collected by the ULBs.

As per SWM Rules 2016, Material Recovery Facility (MRF) means a facility where non-compostable solid waste can be temporarily stored by the local bodies or any other entity mentioned in rule 2 of SWM Rules 2016 or any person or agency authorized by any of them to facilitate segregation, sorting and recovery of recyclables from various components of waste by authorized informal sector of waste pickers, informal recyclers or any other work force engaged by the local body or entity mentioned in rule 2 of SWM Rules 2016 for the purpose before the waste is delivered or taken up for its processing or disposal. It is to be noted that this definition is intended to be indicative in nature.

## 10. INSTRUCTIONS TO BIDDER

### Completeness of Response

- a) Bidders are advised to study all instructions, forms, terms, requirements, and other information given in the bid documents carefully. Submission of bid will be deemed to have been done after careful study and examination of the EOI document with full understanding of its implications.
- b) The response to this EOI should be full and complete in all respects. Failure to furnish all information required by the EOI documents or submission of a proposal not substantially responsive to the EOI documents in every respect will be at the risk of the Bidder and may result in rejection of its proposal.
- c) The Bidder must comply with all the terms and conditions given in this document and their offer must be unconditional.

## **11. EOI PREPARATION COSTS**

- a) The Bidder is responsible for all costs incurred in connection with participation in this process, including, but not limited to, costs incurred in conduct of informative and other diligence activities, participation in meetings/discussions/presentations, preparation of EOI, in providing any additional information required by the Authority to facilitate the evaluation process, and in negotiating a definitive contract or all such activities related to the bid process. The Authority will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.
- b) This EOI does not commit to the authority to award a contract or to engage in negotiations.
- c) Further, no reimbursable cost may be incurred in anticipation of the award or for preparing this bid.
- d) All materials submitted by the Bidder as a part of the bid will become the property of the ULB concerned.

## **12. CLARIFICATION AND AMENDMENT OF EOI DOCUMENT**

- a) At any time prior to the last date for receipt of bids, the Authority may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder modify the bid document by an amendment.
- b) The amendment will be notified and uploaded on the website of the Authority, or the website mentioned above for the information of all intending Bidders.
- c) At any time before the submission of EOI, the employer may amend the Eoi by issuing an addendum by standard electronic means. The addendum shall be sent to all Bidders as per the stipulated time limit mentioned in the datasheet and will be binding on them. Bidder shall acknowledge receipt of all amendments. In order to provide reasonable time to the Bidder to take an amendment into account in their EOI the Employer may, if the amendment is substantial, extend the deadline for the submission of EOI.
- d) Depending on the nature of the Assignment/ job, Bidders are required to submit a Technical Proposal (TP) in forms provided in the Eoi. Submission of non-responsive Technical Proposal will result in the Proposal being deemed ineligible. Form Tech – I is a sample letter of technical proposal which is to be submitted along with the technical proposal.
- e) The Technical Proposal shall not include any financial information. A Technical Proposal containing financial information may be declared as non-responsive.
- f) ULBs at its sole discretion, may terminate the EOI proposal of the successful bidder without assigning any reason whatsoever by giving 15 days' notice.
